B. MPay MasterCard® Agreement

This document constitutes the agreement ("Agreement") between you and ManagePay Services Sdn Bhd (Company No. 516641-W) ("ManagePay" which reference shall include where necessary all its associates and holding company) outlining the terms and conditions under which the MPay MasterCard® and/or MPay MasterCard Virtual Card Number (VCN) Account has been issued to you. "**Prepaid Card**" means the MPay MasterCard and/or MPay MasterCard Co-Branded Card and/or MPay MasterCard Virtual Card Number (VCN) Account issued to you by ManagePay and distributed and serviced by ManagePay. You may contact ManagePay Services by phone at 1-700-81-MPAY (6729) or by mail at No. 113, Jalan USJ 21/10, 47630 Subang Jaya, Selangor Darul Ehsan, Malaysia. "**Issuer**" means ManagePay. The Prepaid Card is a prepaid card. The Prepaid Card is connected to your MPay Balance Account. The Prepaid Card is not a credit card and will not enhance your credit rating. The Prepaid Card is not for resale. You will not receive any interest on your funds on the Prepaid Card. The funds on the Prepaid Card are not insured to you by ManagePay. You acknowledge and agree that the value on the Prepaid Card is limited to the funds that you have loaded onto the Prepaid Card or have been loaded onto the Prepaid Card on your behalf. The Prepaid Card is reloadable. All funds associated with the Prepaid Card shall be held by a Trusted Third Party appointed by ManagePay, in an account for your benefit, with the balance of such funds to be reduced through your use of such funds in accordance with the terms of this Agreement. You agree to sign the back of the Prepaid Card immediately upon receipt. Signing the back of the Prepaid Card, using the Prepaid Card, or allowing someone else to use the Prepaid Card, means that you accept and agree to be bound by this Agreement in its entirety. In this Agreement the terms "we," "us," and "our" mean the Issuer, ManagePay Services Sdn Bhd., our successors, affiliates and assignees and "you" or "your" mean anyone who has purchased or received the Prepaid Card or is authorized to use it. Our business days are Monday through Friday, excluding national public holidays.

You should always keep a record of your Prepaid Card number and the Customer Service Department phone number provided herein in case of loss or theft.

Using This Prepaid Card

You will have access to your funds within twenty-four (24) hours after purchase. The Prepaid Card may be used when making purchases from merchants that accept MasterCard. We may decline authorization for any illegal transaction, including, but not limited to any Internet gambling transaction. You agree not to use your Prepaid Card for any illegal transaction. At the time of each purchase using the Prepaid Card, you will be asked to enter a 6-digit PIN for the transaction. The amount in Ringgit Malaysia of the purchase will be deducted from the value of the Prepaid Card.

It is important for you to be sure that the balance of your Prepaid Card is sufficient to cover such amount. Petrol stations may also secure an authorization/approval on the Prepaid Card in excess of the estimated purchase amount to ensure that adequate funds are available to cover the final purchase. The entire amount of the authorization/approval will remain unavailable until the actual transaction posts to your Prepaid Card (typically within three (3) business days), although only the amount you actually authorize will be deducted from the value of the Prepaid Card.

Using This Prepaid Card at Petrol Stations

There are certain payment situations that may require special or additional steps to use your Prepaid Card. When using the Prepaid Card at an automated fuel dispenser ("pay at the pump"), simply insert your Prepaid Card and follow the instructions. If you pay at the pump, the merchant may pre-authorize the transaction amount up to RM200.00 or more. If the transaction is not completed, you will need to go inside and pay the attendant prior to pumping.

Mail, and Phone Order Purchases

Mail and phone order purchases may require that you enter CVC2 which is the 3 digit code on the back of your card . If you use your Prepaid Card number without presenting your Prepaid Card (such as for mail order or telephone purchase), the legal effect will be the same as if you used the Prepaid Card itself. **Returned or Exchanged Merchandise**

If you are entitled to a refund for any reason for goods or services obtained with your Prepaid Card, you agree to accept credits to your Prepaid Card for such refunds and agree to the refund policy of that merchant. You agree that neither the Issuer nor MasterCard International Incorporated or their employees or agents, are responsible for the services or merchandise purchased with the Prepaid Card or any damages resulting directly or indirectly from the use of the Prepaid Card. If you have a problem with merchandise or services purchased with a Prepaid Card, that problem needs to be resolved with the merchant at whose establishment the transaction was made. Exchange or return of merchandise purchased in whole or in part with the Prepaid Card will be governed by the procedures and policies of each merchant and applicable law. At the time of any exchange or return, you should present both the merchandise receipt and the Prepaid Card. If you receive a credit, the credit may not be added to the available funds on the Prepaid Card for seven (7) business days.

Receipts

You should get a receipt at the time you conduct a transaction using your Prepaid Card. This may be your only record of the transaction; you agree to retain your receipts for future reference to verify and reconcile your transactions.

Cash Access

You will be given a Personal Identification Number ("PIN") with your Prepaid Card upon request. You may use your Prepaid Card to obtain cash from an Automated Teller Machine ("ATM") via Mastercard Network, or by any other means. If in the case of Prepaid is a MPay MasterCard Virtual Card Number (VCN) Account, MasterCard is in the process of deploying MasterPass QR of which in very near future, the user is able to use MPay MasterCard Virtual Card Number (VCN) QR to obtain cash from ATM via MasterCard Network already upgraded with MasterPass QR.

Overuse/Overspending

Each time you use your Prepaid Card, you authorize us to reduce the value available in your Prepaid Card Account by the amount of the transaction and any applicable fees charged by the relevant merchant. Transactions that exceed the remaining Prepaid Card balance are prohibited and should be declined at the POS. If, notwithstanding an insufficient balance, an authorization is received by the merchant or the merchant uses other means to proceed with the transaction then you agree to reimburse us for any amount in excess of the Prepaid Card balance for such a transaction. Once the balance on this Prepaid Card reaches zero (0) all transactions will be declined.

For security reasons, we may limit the number or amount of transactions you can make with the Prepaid Card. You do not have the right to stop payment on any purchase or payment transactions that you originate through the use of the Prepaid Card. You may not make pre-authorized regular payments from your Prepaid Card. If you authorize a transaction and fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days. All transactions relating to car rentals may result in a hold for that amount of funds for up to sixty (60) days.

Responsibility for Use of Your Prepaid Card

You are responsible for all transactions initiated and fees incurred by use of your Prepaid Card, and for using your Prepaid Card according to the terms and conditions of this Agreement. If you permit another person to have access to your Prepaid Card or Prepaid Card number, we will treat this as if you have authorized such use and you will be liable for all transactions incurred by those persons. You may not request an additional Prepaid Card for another person.

Prepaid Card Expiration

The Prepaid Card plastic is valid through the expiration date shown on the front of the Prepaid Card or until the value on the Prepaid Card reaches zero, except where prohibited or modified by applicable law. The funds on the Prepaid Card do not expire. Your liability for an **unauthorized non-MasterCard debit transaction** on your Prepaid Card is limited to RM150.00 if you notify us within two (2) business days of the transaction at issue and you exercise reasonable care in safeguarding your Prepaid Card from loss, theft, or unauthorized use.

If you notify us after two (2) business days, but within sixty (60) days, following **any unauthorized transaction** or after you learn of the **loss or theft** of your Prepaid Card, you could lose as much as RM1,500.00.

If you do not notify us within sixty (60) days after you learn of the loss or theft of your Prepaid Card, become aware of the unauthorized transaction and/or after the transaction history reflecting the unauthorized transaction was made available to you, you may not get back any value you lost after the sixty (60) days if we could have stopped someone from taking the value if you had promptly notified us of loss or theft of your Prepaid Card or of the unauthorized transaction.

Upon notice from you that your Prepaid Card has been lost or stolen, we will close your Prepaid Card account to help keep losses down and, upon your request, will issue you a replacement Prepaid Card with a fee. It may take up to thirty (30) days to process a request for a replacement Prepaid Card, however, we will endeavor to provide you with a replacement Prepaid Card on as timely a basis as is reasonable under the circumstances.

Liability for Failure to Complete Transactions

If we do not properly complete a Prepaid Card transaction on time or in the correct amount according to this Agreement, we may be liable for your losses and damages. However, we will not be liable under circumstances such as:
